Identifying & Tracking Bills

We identify & track bills impacting the in-home services industry at a state and national level. Be the first to know what will impact your agency.

Testifying on Your Behalf

HCAW provides lobbying efforts, testifies on pertinent bills and brings issues to the Public Policy Committee to develop position papers.

Targeting Partnerships

We identify key industry leaders to bring your voice to the table when in-home services are discussed at the state and national level.

Find a Provider

Your free listing in our Find a Provider search puts you directly in front of those seeking services for themselves or a loved one.

Monthly Newsletter

HCAW's monthly newsletter provides key industry information from experts keeping you updated on what is affecting our community.

Online Forums

Our forums allow members to pose questions, discuss and voice concerns, and ask for feedback on what is impacting your agency.

Ongoing Education

Learn at your own pace with free access to our RCTCLEARN Online University, discounts with the Wound Care Institute, and access to the HHQI University

Timely Webinars

Can't get away from the office? HCAW offers a variety of timely webinars allowing you to learn while earning CE credits from your desk!

In-Person Events

Our Annual Conference, OASIS courses, and fall programs not only bring experts to you, but also offer you networking opportunities with others.
